Notes on Installation	<ul style="list-style-type: none"> <li>For one week after installation, direct sunlight, sudden change of temperature due to air conditioning, and water washing should be avoided.</li> <li>The color shading differs on a tile-by-tile basis, which will make the floor look very natural when the tiles are installed.</li> </ul>			
Recommended Maintenance Wax from TOLI	New FB Wax, U Wax, T Wax (Non-shiny & Antibacterial)			
Others	<ul style="list-style-type: none"> <li>The dirt and stains will be more visible on the floor covering with lighter plain colors, compared to dark colors. Also they are more likely to stick with the deep-embossed surface than the flat surface.</li> <li>Please be aware that some rubber casters might cause color-contamination.</li> <li>Please bear in mind that ROYAL STONE (hexagon) may take more time for layout and installation compared to the tiles in square size.</li> <li>Please note that the product has the indigenous odor from its materials.</li> <li>When you install the tiles in hexagon size, you will have a better appearance by finishing the joints with cauking materials.</li> </ul>

### <Dimension Details>

In PST1217 & PST1218, only one corner of a hexagon has a different color. Just by changing the direction of installation, different floor images can be created.

In PST1217 to PST1221, the colors will differ by production lot and cannot be strictly matched.
