| Notes on Installation                 | ◆Before installation, make sure the arrow marks on the back of each tile, which show the direction of the pattern.<br>◆For one week after installation, direct sunlight, sudden change of temperature due to air conditioning, and water washing should be avoided.<br>◆The color shading differs on a tile-by-tile basis, which will make the floor look very natural when the tiles are installed. |  |      |               |
| Recommended Maintenance Wax from TOLI | New FB Wax, U Wax, T Wax (Non-shiny & Antibacterial)   |  |      |               |
| Custom Order                          | If you ask for a different size or wear layer, please contact TOLI sales rep.  |  |      |               |
| Others                                | ◆The dirt and stains will be more visible on the floor covering with lighter plain colors, compared to dark colors. Also they are more likely to stick with the deep-embossed surface than the flat surface.<br>◆Please be aware that some rubber casters might cause color-contamination.<br>◆Please note that the product has the indigenous odor from its materials.                              |  |      |               |
